

Kopy Copy Design Printing is a cutting edge multimedia and commercial printing company that offers you a full range of services that partially include catalogs, brochures, presentation folders, postcards, flyers, posters, magazine printing and book printing. For your traditional print jobs, we offer all forms of offset printing, from small, sheet fed offset presses to full-color printing. For your projects that will benefit from flexible, economical digital printing techniques — for example, short-run book printing, flyers, postcards, catalogs and brochures — we also feature Docucolor digital. And when you need customized web design for the Internet, you can depend on our design group.

### **What makes Kopy Copy Design Printing unique?**

- Selection. You get the right printing press or digital printer to achieve the results you want, at the highest quality, lowest cost and fastest turnaround time available.
- Flexibility. Your prepress materials can be accepted in a variety of formats for different platforms.
- Consultation. With Kopy Copy Design Printing, you have a free commercial printing consultant who can integrate your new web design and printing projects with your current marketing materials for optimal efficiency at minimum cost.

Do you need single- to multi-color offset printing, digital printing or graphic design? Kopy Copy Design Printing is a full-service commercial printing company that you will find to be very reliable, delivering the results you expect at very reasonable cost and on schedule. When you need a book printer or someone to design and print a brochure, when you want promotional material like large-format posters or postcards and brochures, Kopy Copy Design Printing is the commercial printer you can trust to make your job easier and more economical.

We can quickly provide a printing price quote for your job as a custom run, or you can take advantage of our standard printing package and get the lowest possible cost. We even offer direct mail and fulfillment services.
